## DEVELOPMENT PLAN 2014 -15

November 2014

The Trust is working to action plans developed under a set of common objectives.  
These plans are monitored through the Trust Board

### Objectives:

- Objective 1:** To provide opportunities for all staff to work together and use expertise to develop an effective peer and school to school support approach, including governance
- Objective 2:** To enhance the curriculum to raise aspirations of children, staff and families
- Objective 3:** To develop co-operative learning strategies across the Trust
- Objective 4:** To develop a Trust Communication Strategy (internal and external)
- Objective 5:** To develop a Co-operative membership strategy
- Objective 6:** To develop a sustainable funding (inc staffing) strategy for the Trust
- Objective 7:** To develop further partnerships
