FAQ

Can any subjects be taken early in year 10?

The Government has scrapped early entry for students as an option.

Do I have to take an option from the compulsory subject list?

Yes. This will ensure a broad and balanced curriculum.

FAQ

Can I change my options?

This may be possible soon after the options process, however not guaranteed. This cannot happen once courses have begun.

Why can't we choose any combination we like?

We have to fit subjects into blocks. We do this to maximise the number of fits.
