Badminton Star

Sixth form student at Tavistock College,
Celine Conley has excelled in her sport of
badminton this year by, firstly, being short
listed by the 'Exeter Foundation Devon Sports
Awards' for the 'Young Volunteer' category
and, secondly, by successfully completing the
UKCC Badminton England Level 2 Coaching
Certificate.

Playing out of Tavyside Badminton, which
is based at the college, Celine has been
supporting the badminton coaching work of the club as it works with
players of all ages in Tavistock and across the wider West Devon
area with OCRA and Badminton England.

For Celine to achieve her Level 2 coaching certificate she had to
spend the months leading up to the assessment developing her
coaching and planning skills; all of which were observed over a
whole day of assessment.

Celine will be completing her final year in the sixth form this year and
is looking forwards to going to university to study law.

West Devon Schools Team

The following students will be in the West Devon Schools Team in the
