September 2016

Dear Parent/Carer

I am privileged to have undertaken the role of Head of Year for your child's year group. I have been a year head for 4 previous year groups and enjoy this role very much. I am looking forwards to meeting with you all over the coming months. The names and contact details of the year team are at the end of the letter. The contact details of all the heads of faculty are also provided. I will write letters periodically over the academic year and the contact details will always be a part of that.

The year group has got off to a flying start with the big hike joined all the tutor groups up at the end of year 7.

This year, your children have attended an event in the hall that was aimed at promoting good use of social media and British Values. This will, I hope, be one of many opportunities for your children to take part in. Some have already grasped the opportunity of 'showing off' the school on Open Evening last Thursday. Many thanks for lending them to us, they did a wonderful job and presented the school in a positive and engaging manner.

Squadron Leader Olver was in assembly this morning inviting yr 8 students to join the air cadets and further to that some from the group are already wanting to raise money for the RSPCA. We are learning that they are a year group with a lot of energy and we will work with you putting that energy to good use !

An imminent date for your diaries is a **Meet the Tutor** evening on **Monday the 3rd October**. This is a low key drop in opportunity to come along and meet your child's new Tutor, Head of Year and Senior leadership link. Also we will have 2 governors here to meet and chat with. We are all available from 3.30 - 6.45 and would love to meet you for a quick chat and a coffee. If you need to bring your child or smaller children with you for convenience, it would be lovely to see them here. There are no formal talks, just an opportunity to see the new zone and meet the pastoral team.

There will also be a member of IT there if you are having trouble with the SIMS Learning Gateway in any way.

Many thanks for your continued support of the college. We, as a team, very much look forward to meeting and working with you.

Yours sincerely

Julie Greener HOY (8)
