

Science

Tavistock
COLLEGE

Exams

Triple Science:

- 9 exams in total
- Each course has unit 1, unit 2 and unit 3
- 1 piece of coursework for each course (3 in total)

Double Science

- 6 exams in total
- Core science is made up of all the unit 1 exams
- Additional Science is made up of all the unit 2 exams
- 1 piece of coursework for each course (2 in total)

What assessments are involved?

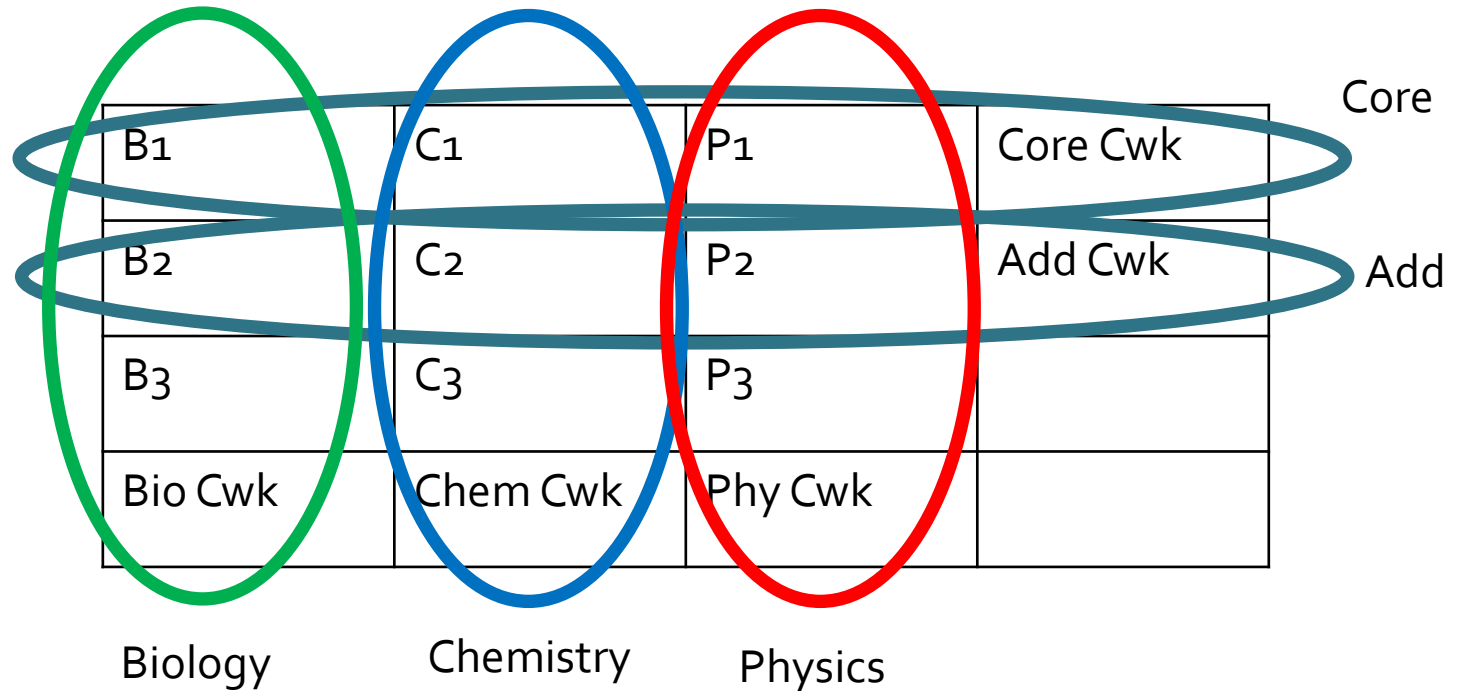

For each GCSE, there are 3 exams and 1 piece of coursework

Students will complete the coursework in lesson time

All 3 exams are worth 25% of the GCSE

B1	C1	P1	Core Cwk	Core
B2	C2	P2	Add Cwk	Add
B3	C3	P3		
Bio Cwk	Chem Cwk	Phy Cwk		

Biology Chemistry Physics

What assessments are involved?

For each GCSE, there are 3 exams and 1 piece of coursework

Students will complete the coursework in lesson time

All 3 exams are worth 25% of the GCSE

Exam	Date
B1	16/5/17 PM
B2 & B3	9/6/17 AM
C1	18/5/17 AM
C2 & C3	14/6/17 AM
P1	24/5/17 PM
P2 & P3	16/6/17 AM

Correct equipment

- Black pens
- 30cm ruler
- Pencils
- Rubber
- Pencil sharpener
- Scientific Calculator

On time for their exams

- If students miss an exam, they will gain 0 for this exam
- They will still go on to get a qualification, but this will likely be by an E or F

Revision activities

- AQA past papers
- Youtube—My GCSE Science
- www.kerboodle.com

Revising

- It is important that this is regular in smaller doses – a prolonged revision session does not always help
- One day should be taken off from revision/school work each week
- Plan out to cover all the areas that are in their exam
- Find a method that works

Key Messages

- Encourage 30mins revision each evening
- Make sure students have the equipment they need
- Make sure that students are in for their exams!

Exam	Date
