Introduction

This policy statement sets out the Trust's arrangements for managing the access of providers to pupils at the Academies for the purpose of giving them information about the provider's education or training offer. This complies with the Trust's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

A provider wishing to request access should contact:-

Mr Philip Ruse
Assistant Principal
Tel: 01822 614231
Email: p.ruse@tavistockcollege.org

Opportunities for access

A number of events, integrated into the Academy careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers.
