Dear Parent/Carer,

Year 09 Reports

Summer seems so far away now as we embrace the second half of this academic year. All of year 9 have made a positive start to their GCSE options and we have received good verbal feedback from students, that they are enjoying their subjects.

It is essential for a positive outcome in year 11 that they all remain focused and continue to work hard both in school and at home. It is also equally important that they take time for themselves and enjoy some of the wide variety of experiences/activities that we offer the students here at the college.

This year group are developing into mature young adults who are a credit to themselves but also to you as parents or carers. They are a constant source of joy as well as inspiration to those who work with them or teach them. We have great expectations for their futures as I know they have the ability to achieve their dreams.

Again, I hope that you take time to read the report as there have been changes to the reporting style however, you may, of course, contact us if you have any queries or concerns.

Yours sincerely,

Mrs Wendy Stephens

Head of Year 09
