

Dear Parent/carer,

February 2019

Please find enclosed your son/daughter's latest report.

Firstly, I would like to take this opportunity to thank all Parents/Carers who have supported the College in working with us and continuing to ensure that the students meet our high expectations.

The next round of PPE's is approaching fast and starts on Monday 4th March. These will be predominantly undertaken in subject classes. With the exception of Maths and English both of which will be in the main hall/sports hall. It is essential that if your son/daughter is reinforcing their subject knowledge during their final months of their GCSE both in school and at home. It is the College's expectation that they should be completing up to 3 hours a day of either homework or revision. Therefore, the College are offering revision sessions at lunchtime and after school.
