

March 2019

Dear Parent / Carer

As Head of Year 8 I am immensely proud of the work the students are doing and the continued progress that is being made by many. As teachers, we continually assess pupils to determine how they are progressing and identify their next steps in learning. We track pupils throughout the year to determine their attainment and their progress, and put measures in place to support those who might be at risk of not meeting their potential.

The enclosed report gives you an indication of your child's current attainment and attitude to learning within each subject. Pivotal to this attainment is a high level of attendance, as this is a crucial factor in academic success at school.

In addition to academic success, I am very proud of the students for their continued support, and success achieved at our many and varied after school clubs and extracurricular activities.

If you have any concerns or questions regarding this report or have any other queries please do not hesitate to contact the class teacher, tutor, or myself. A full list of all Email addresses can be found on our school web page.

Yours sincerely

Mr E Lane
Head of Year 8
