Dear Parent/Carer,

Year 09 Reports

The summer term, in my opinion is always the nicest. As always it's going to be busy, with sports day, our school production of Matilda, celebration evening and of course, end of year exams.

As I am writing this, a few of our year 9's have just completed the Ten Tors Challenge. Every year I am blown away with the sheer determination and enthusiasm of our youngsters. Well done to all those who participated. During the Easter holidays, our year 9 netball team competed in a tournament in Paris and successfully came home with a number of trophies. Well done to all those girls who took part.

This year group is full of young people with individual talents and I am so proud of each and every one of them.

As I have already mentioned, year 9 students will have end of year exams in every subject. This can be a stressful time for any student. Should your son /daughter need any support during this time, please don't hesitate to contact their form tutor.

Please find attached, a copy of your son's/daughter's full report.

I hope that you take time to read the report as there have been changes to the reporting style however, you may, of course, contact us if you have any queries or concerns.

Yours sincerely,

Mrs Wendy Stephens

Head of Year 09
