Unfortunately we have been unable to run Media Studies and French.

Students can only choose one option per block. Students should choose 3 options in order to create a full time timetable*. This is an offer of courses that the College can provide starting September 2019.

The option blocks have been created subject to demand. All are 2 year courses; students cannot drop courses mid-year or revert to 1 year AS qualifications.

*Please note: Core Mathematics is subject to less taught hours than standard courses (6 hours per fortnight as opposed to 10) therefore it can only be chosen as a 4th subject.
