

# PUBLIC SERVICES

A photograph of an emergency scene on a road. On the left, a red fire truck with blue flashing lights is parked. In the center, several white ambulances are parked, with three people in high-visibility yellow jackets standing near them. On the right, a red helicopter is landed on a grassy area, with several more people in high-visibility jackets nearby. The background shows trees with autumn foliage and a cloudy sky.

**Qualification: BTEC Level 3  
Subsidiary Diploma UCAS points  
equivalent: max. 56 (grade  
Distinction\*)**

# TASK - please complete and bring completed to lesson 1 in September

Unit 1 - (Government policies and the Public Services)

Devolved parliaments exist in the UK. There are 3 main devolved parliaments. Use the link to provide you with further reading/information.

<https://www.parliament.uk/about/how/role/devolved/>

***Summarise in your own words what devolved parliaments are and where they exist in the UK. Include types of responsibility or powers that a devolved parliament has, giving a more detailed example information of ONE. To conclude, please give your opinion and explain why you think devolution in the UK is either positive or negative.***

**(Hand written on A4)**

Enjoy summer break!!
