

July 2019

Dear parents and carers,

What a fantastic year, Year 7 have had, this academic year. I continue to be immensely proud of the learning and the progress that has been made by the students. By tracking pupil progress throughout the year we have been able to identify individual learning needs of all pupils, and put measures in place to support those who might be risk of not meeting their potential.

The enclosed report gives you an indication of your child's current attainment and attitude to learning within each subject. Many subjects have completed end of year tests and the results of these tests have guided the judgements made in this report. Pivotal to this attainment for successful students has been a high level of attendance, as this is a crucial factor in academic success at school.

In addition to academic success, I am very proud of the students for their continued participation and success in our after school extra-curricular activities. Many of the Year 7 students have taken part in the swimming gala and the annual sports day with great success, demonstrating their commitment to representing their houses and the college.

At the end of Year 7, I will hand the year group back to Mrs Hazel Blackmore who will return from her recent maternity leave to become the Head of Year 8. I have had a superb year with Year 7, and I am very much looking forward to the rewards trip to celebrate the achievements of the pupils. If you have any questions regarding this report or have any other queries please do not hesitate to contact the class teacher, tutor, or myself.

Yours faithfully

Mrs R Squire - r.squire@tavistockcollege.org

Head of Year 7
