

November 2019

Dear Parents/Carers,

I am delighted to enclose the first academic report of the year, for your attention.

It has been a fantastic transition into year 9 for many students. It is the beginning of their GCSE courses including, for the first time, them having a choice over the direction of their own studies. I am incredibly excited about the prospect of working with such gifted and talented students over the next 3 years, building relationships and helping them to realise their potential. As this is my first opportunity to make contact with many of you, I would like to thank you for your on-going support for the college. If there is anything I can help you with, please do not hesitate to contact me.

Please find below contact details for myself and the year team.
