# WELCOME

## to Tavistock College

Wow, what a crazy few weeks. Three weeks ago we were told that schools were closing for an unknown period of time. As teachers we were tasked with setting your work from home. As students, you were asked to complete your lessons at home. For the first few days, or perhaps even for the first week you might of did this in your PJ's just like me! However, just like me you might now be missing your routine and friends, wishing that we can all get back to our normal lives quite soon. We don't know when that will be, we listen to the news each day to hear any updates on the current situation and hope that all our loved ones remain well.

I imagine that you might be at home wondering how your transition from primary school to Tavistock College is going to look like in these uncertain times. I was thinking the same thing last week. After a lengthy brain storming session via video link with the Transition Team I am delighted to be able to send you our first in a series of innovative and interactive virtual transition sessions.

Remember, stay safe and stay at home.

*Mr Forster*  
Vice Principal

# TRANSITION

This time of the year I am usually busy visiting you all in your current primary schools. This is normally the time when I get to know you all a little more, I speak with your teacher who will share key details about you, such as, what you like to do, which subjects you enjoy most and who you like to spend your time with in the playground.

Unfortunately, I will not be able to make my visits this year. I will be contacting your teachers via email and they will send me the information, so don't worry!

During this visit we would normally complete our first piece of Tavistock College work together called Timetable Tim.

Timetable Tim is a worksheet which helps you to understand :

What a timetable is

What lessons you might have each day

How many lessons you have in a day

How to find your way to each lesson

Who your teachers are

# TIMETABLE TIM

## Transition Activity

Tim is in Year 7 at Tavistock College. He was very nervous when he first joined in September and was worried when he was given his timetable. He wondered how he was going to find his way to each lesson and which lesson was with which teacher.

Tim shouldn't have been worried, by the end of the first week he felt far more confident and with the help of his map and timetable he knew exactly where he should be and when.

**Using the school map and his timetable on the next pages try to answer the following questions.**

What lesson does Tim have on a Monday week B, period 4?

Which teacher does Tim have for English?

Which floor is the English department located?

What lesson does Tim have on a Friday, week A after tutor time?

What lesson and classroom would Tim walk to after he finishes recess 2 on Thursday, Week B?

Which classroom does Tim have history in, and how many history lessons does he have in week a and week b?

What lesson is the last lesson of the day on a Wednesday, week A?

Which floor is S7 on?

Which lesson does Tim have on Tuesday week B, period 4?

# A TYPICAL TIMETABLE

**Tutor time** - 8.40am-9.00am  
**Period 1** - 9.00am -10.00am  
**Period 2** - 10.00am -11.00am  
**Recess 1** - 11.00am - 11.30am  
**Period 3** - 11.30am - 12.30pm  
**Period 4** - 12.30pm -1.30pm  
**Recess 2** - 1.30pm - 2.00pm  
**Period 5** - 2.00 - 3.00pm

**We work on a two week timetable. We start on a week A, the following week is a week B, and so on and so on.**
