Dear Parents and Carers

I am pleased to enclose the first progress report of the year for your son/daughter. The report outlines the current working grades and attitude across all subjects. If you have any specific questions relating to your child's progress in their courses then please feel free to contact either the subject teacher directly, the head of faculty, or their mentor. I have provided contact details for all heads of faculty, mentors and members of the sixth form team.

Please do not hesitate to contact me if you have any questions or require further information.

Yours sincerely

Mr T Galli
