

Year 10 reports - Jan 2021

Dear Parents/Carers

January 2021

I hope you are all well and safe in these unprecedented times. Please find enclosed a copy of your child's Year 10 report.

I am delighted to say as the Head of Year 10, I could not be more proud of how the students have navigated their way through the many challenges faced and either returned to the College or are completing the remote learning at home. I can completely understand this might provoke many difficulties and pressures for students and parents alike. Please feel free to contact your son/daughters tutor or myself if there is anything we can do to support.

The remote learning expectations are that students need to follow their normal timetabled lessons as teachers are either recording or offering live lessons during these times. Teachers will be using Class Charts to notify parents/carers if your child has completed the remote work.

Please can you encourage your son/daughter to join the weekly google meets set up by their tutor - days and times will be in their google classrooms.

I look forward to seeing your son/daughter when students are able to return safely to college.

Yours sincerely,

Nick Read - Assistant Principal and Head of Year 10

Together; we care, we challenge, we excel
