

Dear Parents/Carers,

July 2021

Please find attached to a separate email your son/daughter's year 10 report from Tavistock College

Firstly, I would like to thank you for all your help and support for the school throughout year 10. I would also like to take this opportunity to thank all the students for how they conducted themselves during the GCSE mock examinations, it was noted by the invigilators how mature and responsible they acted.

This last year has been difficult for everyone and has impacted us all in different ways. These mock examinations will allow us to analyse their results and see, more precisely, where to put the time in for on-going revision. If you have any concerns or questions please do contact your son/daughters tutor in the first instance. Please see their email addresses below.

I hope as we move forward together that we can ensure your son/daughter achieves their potential in their GCSEs next summer. Their tutors will help them produce revision timetables and offer ongoing daily support. Their teachers will identify gaps and misconceptions and teach them new content. You as parents will offer encouragement and support. It is my hope that your son/daughter approaches year 11 with the determination, resilience and willingness to learn and embrace the challenges that face them.

Finally, I hope you all enjoy your well earned summer holiday and look forward to seeing you back in September.

Yours sincerely,

Nick Read - Head of Year 10 &amp; Assistant principal
