

TFO/AT

29<sup>th</sup> March 2022

Dear parents, carers and students

As you will be aware from our previous communication we have had significant disruption to our staffing levels due to Covid and although there is still an increase in levels of staff absence we feel that as of tomorrow, Wednesday 30<sup>th</sup> March 2022, we will have enough staff to ensure that the school is operationally safe.

We are continually monitoring the situation and will be in touch with any further changes to our standard operating procedure.

In the period until the Easter holidays we will maintain our on site procedures to reduce viral transmission by; not having assemblies or large student gatherings, advising all students to wear masks in communal areas, maintaining air flow in classrooms and increased touch point cleaning throughout the day.

I would like to take this opportunity to thank all parents, carers and students for your understanding at this incredibly challenging time and for the positive way in which students have embraced online learning.

Yours sincerely
