

# For Students & Parents

#### Follow us on Facebook - search Tavistock College

Welcome to the latest edition of our Fortnightly Focus for students and parents for this academic year.

I hope you all had a lovely Easter break and enjoyed some of the very welcome sunshine!

Firstly, I must say we are very proud of a number of our students who have organised a Concert for Ukraine. This took place yesterday at the Bedford Hotel in

Tavistock, and 20 of our young people gave vocal and instrumental performances, with all the proceeds going towards the British Red Cross Ukraine Crisis Appeal. A huge thank you to those students, staff, families and members of the community who supported this event. We also expect to be welcoming some new students to the college in the coming weeks; Ukrainian refugees. We are looking forward to doing all we can to support them during their time here.

Mr Palmer, one of our Vice Principals, wrote to you before the Easter break to offer a few key pieces of information about our expectations, support, and policies in relation to equipment and behaviour in school.

Following on from that, a reminder of the main messages from that letter:

#### Equipment

Now that we have returned from the Easter break all students have been issued with a pencil case containing 2 pens, a pencil, a rubber, and a ruler ('the Tavy 5'). From now on, we expect that all students will come to school equipped with at least these items (and a bag to carry them in) so that they are prepared for their day at school.

Students who are regularly without their provided (or their own) equipment will be followed up with via tutor and Head of Year by communication to parents, and by using our behaviour policy (in this case, recess detentions).

Our focus on equipment, and ensuring all students have the key items with them, is due to our desire to ensure teachers and students can maximise their teaching and learning time in lessons.

If your child has not been given these items, please ask them to let their tutor know.

#### Attendance at lessons

We expect all students to attend all lessons. If there are specific reasons why a young person feels they are unable to attend a certain lesson, these must be raised through the appropriate channels (to tutor, Head of Year, or Head of Faculty); not by refusing to attend that lesson. Students refusing to attend lessons and being elsewhere on site is a safeguarding concern, as well as a disruption for other students' learning.

In this instance, students will be supported to attend lessons, but truancy and refusal to follow support will be sanctioned with an afterschool detention (run on Tuesdays and Thursdays in line with late buses).

As you will be aware, the two priorities in any school are around safeguarding and education: ensuring young people are safe, and are being supported with their learning. Our approaches and policies in these areas are there to support students and their families with them and ensure that, if these become a challenge, everyone is clear about the steps we can take to help. If you have any further question regarding these two points, please contact your child's Head of Year.

As usual, over the next few pages, there are a number of success stories that we wish to share with you to highlight the achievements and efforts of our young people, both in and outside of the school environment. There are also some pieces of information shared which we hope may be of use to some of our families.

As always, please take care, and don't hesitate to make contact with us if we can be supportive.

Emma Herod, Assistant Principal

## **Tavistock Library opportunities**

From 3rd May Tavistock Library have a group of local artists from the Drawn to the Valley network exhibiting in the library as part of the Tavistock Festival. Work includes artists and makers and they will be running workshops which will be open to young people who are 16 years plus - if there are any 6th Formers who are interested in a particular art form and talking to the artists. The exhibition will also have artists stewarding the opening hours whilst working on their art forms.

Literature students may also be interested to know that the creative writing masterclasses are freely available on our website. The short videos are with professional writers, journalists and poets; and are highly accessible. Find them at https://librariesevolve.org.uk/watch-now/ what-if-you-spoke DRAWN TO THE LIBRARY Tues 3<sup>rd</sup> to Sat 21<sup>st</sup> MAY 2022

### Congratulations Ella

Ella had a busy Easter break.

After weeks of training and a full morning of testing/ riding she has passed her pony club B test.

She also attended the Petplan finals at Medium silver u21 at Hartpury and finished third. Was very exciting and her first mounted prize giving on Oreo (Amedijicks orlando).

## Well done Lara

Lara Davey a Year 10 student started playing Rugby at Tavistock Rugby club age 12 after seeing a flyer at school. Sadly only a handful of girls trained each week and they made the move to train with Devonport services club in Plymouth.

This season she was nominated to join the first Exeter Chiefs Girls Academy, and made it through the selection process narrowly missing out on one of the 29 spaces available to under 15 year old girls from Devon and Cornwall.

Lara attended the trials to play for Devon in April and has successfully got through the first round of selection out of 102 girls in her age group. She eagerly awaits the second part of the trial in May.

Being the only girl from West Devon, and one of only 5 girls in total from her club this was an incredible achievement, one which the Lord Mayor of Plymouth wished to recognise. Keen to promote girls rugby and its positive benefits

to mental and physical health in teenage girls, Cllr Terri Beer invited Lara and her peers to her Chambers where they had afternoon tea and celebrated their success.

## **Football Training Programme**

Whilst school staff and children were enjoying well deserved time off, we launched our Easter Camps at Tavistock children for local children to experience and enjoy.

With the help from your school getting the word out, we were either FULL or nearly at full capacity for the four days our camps ran.

Here is what some of the children said:

Alex, age 10: I really liked all of the drills and matches because of the very supportive coaches.

Tobias, age 11: *I liked the games we played like King of the court and making new friends.* 

Poppy, age 11: I liked when I scored some goals and playing King of the court.

Joel, age 14: I enjoyed the matches we played on the Astro, the drills we did and the other girls and boys who came to the camps.

Nancy, age 9: I liked all the coaches and I enjoyed playing the King of the court game.

We are now offering young people a fully inclusive development programme, so that all abilities have the opportunity to train with our Head Coach who is currently preparing for the UEFA B Pathway. These sessions will be held every Thursday evening 6-7pm on the 3G at Tavistock College. They begin Thursday 28th April. These are suitable for those who are in a local team but would like to develop themselves further or for those who would just like some training.
