

## Acceptable Shoes

We would like to thank parents for their support with the college uniform, in maintaining our expectations over standards for students attending at the start of this new term. We take a common sense approach to our school shoes policy.

We are aware that many traditional 'trainer' makes are now making suitable black leather shoes that are in line with the school policy. Therefore as long as the shoe is plain black, made of leather or suede with no other colour including the logo or sole (for example a white tick or grey 3 stripes), they are acceptable school shoes. For absolute clarity, there will be examples of acceptable and unacceptable shoes in reception within the week, and images on the college website.
