

## Apple Project

Tavistock College Y7 students participating in the co-operative project are selling their apple juice. The juice has been produced from apples they have harvested locally, including apples from the college orchard. Apple juice will be available to buy at the Dickensian Evening on 25th November and at the Christmas Fair.

## Remembrance

This morning I was privileged to have attended the Tavistock College Remembrance Service in St Eustacius church.

I have attended many such occasions during recent years and have to say the I come away full of admiration for the young people and staff involved

Today's service highlighted the ability, confidence and respect by the young people that at times they are not given credit for.

To be able to stand in front of a large congregation and read or sing without showing too much fear or nervousness is a tremendous achievement in young people, you are a credit to your school, your parents but most of all to yourselves.

Well done to all pupils and staff involved.

Best wishes.

Cllr David Cloke.
