Dear Parent/carers,

05th October 2016

KS4 Success Evening – Monday 17th October 6-7:30pm

With the first GCSE examination taking place on the 15th May 2017, it is imperative that students start to prepare for the examinations now. We want to help you to help your child prepare for these examinations by providing some additional guidance and support. At the forthcoming KS4 success evening you will be given the opportunity to attend 3 workshops run by the English, Mathematics and Science faculties; in addition you will be able to gain some more general information on revision activities / strategies for success. The faculties will give you subject specific advice as well as providing you with some revision materials. There will also be opportunities for you to speak directly to the Head of Faculty about any questions that you may have.

The evening will run from **6-7:30pm on Monday 17th October**. It will begin in the main hall with a short workshop on exam preparation led by Mr Palmer. This will then be followed by 3 x 20 minute workshops based in the Atrium. These workshops will be led by the English, Mathematics and Science faculties. Refreshments will then be served at 7:15pm where you will be able to speak to faculty members in a less formal setting. To attend the evening, please return the slip below to your son/daughter's form tutor.

I look forward to seeing you on Monday 17^h October.

Yours faithfully,

Barry Palmer,
Assistant Principal
