

Succeeding in Middle Leadership

Brad Turner - Head of English, Tavistock College

Middle Leadership

Competency Framework

- Inspiring others
- Relating to others
- Developing others
- Holding others to account

What do you think these should look like in a successful leader?

Leading a Team - the theory

Kotter identified and extracted success factors in leadership and combined them into a methodology, the 8-Step Process for Leading Change.

Where have you seen this methodology deployed?

Leading a Team - the reality

The truth is, life isn't as sequential as Kotter makes out.

How could you apply Kotter's theory to the scenarios outlined?

The Action Research Project

What might you choose to focus your project on and how could today's session help prepare you for this?
