Dear Parents and Carers of Year 10 Students

Please find enclosed your son/daughter's latest report. This is your opportunity to see how well your child has settled down to their GCSE studies. Obviously, as you will be very well aware, the next two years will be crucial in determining the options that are available for your son or daughter in their post 16 education/work.

There is a strong emphasis this year on ensuring that pupils have the correct equipment for lessons and all homework is completed on time. Statistically, if a young person completes all home learning to a high standard they are adding value to their eventual outcomes. For this reason, I must stress how important it is that all such work is completed. As your child is progressing through their education, there is an increased and increasing expectation of the work they need to complete at home. The earlier they start revising and working towards their exams in Year 11, the greater the chances of them reaching their full potential.

I would like to take this opportunity to thank all Parents and Guardians who have supported the College in working with our uniform policy and continuing to ensure that the students meet our expectations.

Please feel free to contact any of the Year 10 Tutors or myself if you have any queries, as detailed below:
