

Dear parents and carers,

Easter seems so long ago already but we hope you all had a relaxing break and didn't over indulge too much! We are delighted to enclose herewith your child's academic report for your attention.

The examination season is already here with exams in MFL, Textiles, Art and Photography well underway. For others it is just the stress of getting their PPE results back that they are finding overwhelming. Please do not hesitate to contact us if you think there might be anything we can do to help either yourselves or your son/daughter! We would like to take this opportunity to remind you that for year 11, their last day of school is **Friday, June 15th**. This is also the date of their last Science exam.

Letters regarding Graduation will be with you just as soon as all of the details have been finalised but the date for this is; **Thursday 5<sup>th</sup> July** and it will be held at the Parish Church of St Eustachius as is our tradition. We look forward to seeing you there!

We would like to take this opportunity to wish each and every student good luck in their examinations.

Yours sincerely,

**Mrs Wendy Stephens**  
Head of Year 11

**Miss Sonia Fox**  
Head of Year 11
