

Dear parents and carers,

As always I want to personally thank you for all the support you give to the school.

We have successfully negotiated the second term of year 8 and the students have responded very well on the whole to the increased expectation that comes with year 8. If there are any concerns about the academic report for your child the email address for the tutors are at the end of this letter.

The year group are doing well with their outside interests, reading through the tutor reports I am delighted to see the range of hobbies, sports and interests the year group have – not least the level of performance and high standards.

As we lead up to end of summer term there are various events happening including the college Founders Day service in St. Eustachius Church on the 4th July. All students in Year 8 will be attending the service which starts at 1.45pm. Parents, especially if former students of the college, are welcome to attend.

Kindest regards

Neil Hosking
Head of Year 8

Together; we care, we challenge, we excel
