

January 2019

Dear parents and carers,

Again many thanks for your support with the main job of school life and ensuring your children are here and working well and completing homework.

As we move forwards into 2019 I am looking forwards to the completion of work experience week in the summer term. It is an opportunity for students to get out into the world of work and to begin building an idea of how they want to go forward once education is complete. Every year the students return to us with an increased awareness of the demands of life after school and some of them with an increased awareness of what they would like to do.

We are also still moving forwards with the Humanutopia programme and with some of the year group following the programme through and developing skills around dealing with other people that will benefit throughout their lives.

Tonight we celebrate the Sports achievements and I look forward to seeing many of you there.

We continue with much of the everyday elements and the tackling of uniform is high on the agenda. Please can I remind you that skirts made out of a stretchy material is not a part of the school uniform - there are several girls for whom this is persistently relevant in the year group and I will be sending targeted letters home so we can resolve this issue.

On the pastoral side of the year group we have had a tutor change with 10B and the students there are now led by Miss Fox.

The contact details for the tutors and heads of faculty are at the end of this letter - do get in touch with them or myself if there is anything we can help with. Contact details for tutors and myself are on the other side.

Kind regards and a belated Happy New year,

Mrs J Greener
Head of year 10

Together; we care, we challenge, we excel

Contact details for Head of Year and tutors of Year 10:

Teacher	Tutor	Email
