

15<sup>th</sup> July, 2019

Dear Parent/Carer of Year 9 Students,

What an amazing year it's been.

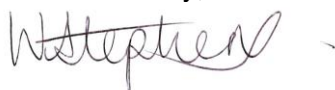

I have thoroughly enjoyed working with you and your children over the past year. This year group are truly amazing and I feel very privileged to have been part of their lives during this period of time. There have been so many success stories, including sporting achievements, the netball girls had a very successful Sports Tour to Paris at Easter; participation by Year 9's in the Ten Tors and Jubilee Challenge and of course there are many year 9's who will be participating in the production of Matilda, at the end of this term. I can't wait to see it.

From September, I will no longer be this year group's head of year, as I have been promoted to assistant principal. The year group will be led by Mrs Squire instead. Both Mrs Squire and I have very similar ways of working so I don't think it will be much of an upheaval for the students.

I would like to take this opportunity to thank you for your continuing support of Tavistock College and wish you all a restful and enjoyable summer holiday.

Please find attached your son's/daughter's final report of the year. The current working grade represents the grade that they achieved in their end of year assessment. Please don't hesitate to get in touch with us if you have any queries or questions.

Yours sincerely,

**Mrs Wendy Stephens**

Head of Year 9
