

October 2019

Dear Parents and Carers

I am pleased to enclose the first progress report of the year for your son/daughter. The report outlines the grades and attitude across all subjects. Unfortunately we are still awaiting the targets to be published by the government. In the meantime I have asked teaching staff to use their best judgments. These targets will be available in time for the next report. If you have any specific questions relating to your child's progress in their courses then please feel free to contact either the subject teacher directly, the head of faculty, or their tutor. I have provided contact details for all heads of faculty, tutors and myself on the reverse of this letter.

Please do not hesitate to contact me if you have any questions or require further information. We look forward to welcoming the students back in September.

Yours sincerely

Mr T Galli
