

October 2019

Dear parents and carers,

As Head of Year 10, I am immensely proud of the learning, and the continued progress that is being made, by the Year 10 students. As teachers, we continually assess pupils to determine how they are progressing in order to identify their next steps in learning. We track pupils throughout the year to determine their attainment and their progress, and put measures in place to support those who might be risk of not meeting their potential.

The enclosed report gives you an indication of your child's current attainment and attitude to learning within each subject. Pivotal to this attainment is a high level of attendance, as this is a crucial factor in academic success at school. In addition to academic success, I am very proud of the students for their continued attendance and success in our varied after school clubs and extracurricular activities.

I look forward to meeting you at the forthcoming parent's and carers evening:
Thursday 7th November 2019 3:45pm-6:45pm

If you have any concerns or questions regarding this report or have any other queries please do not hesitate to contact the class teacher, tutor, or myself. A full list of all Email addresses can be found on our school web page however, for your ease of reference I include the tutor email addresses below.

Yours faithfully

Mrs R Squire - r.squire@tavistockcollege.org

Head of Year 10
