Dear Parents and carers

I hope that you have all managed to stay safe in the inclement weather and that you have not been too badly affected by the various power outages, fallen trees and floods that have resulted from Storm Ciaran in our area.

With the weather warnings subsiding and the school site surviving, apart from some minor damage, which our amazing site and facilities teams are currently working on, I am extremely pleased to say that we will be fully open to all students on Friday 3rd November.

I want to take this opportunity to explain that days like Thursday (whereby the College has closed due to exceptional circumstances) do not count against a young person's attendance as a negative mark, as students were not able to attend.

This week our attendance has improved significantly and we are looking forward to welcoming students back to College on Friday; we know that our young people achieved better grades at GCSE and A-Level the more they were in College. Lessons with expert teachers, having staff members to talk to, sharing experiences with peers and ultimately having a purpose each day makes such a difference.

I would like to take this opportunity to thank you for your support and we very much look forward to seeing all of our students in the morning.

Yours sincerely
