

## Y11 Homework Calendar 2024 / 25

Year 11 homework will be based on planning tasks linked to an extended writing practice to be completed in lesson, the following week. Homework will always be set on a Tuesday Week B and will be due on a Thursday week A. Homework tasks will be related to GCSE exam units and will serve as excellent revision. Students should spend a minimum of 45 minutes researching and planning ideas for their essay. Teachers will expect students to bring either mind maps, flashcards or knowledge organisers to class to demonstrate their planning work.
